

ABMS Board Certification End Dates and Reverification Dates

This table provides a summary of the ABMS Member Board time limited certificate end dates, duration time, and reverification date to help with the credentialing process. For boards which have eliminated certificate end dates, the physician certification status will only change once a year, unless a certificate is revoked for disciplinary reasons. ABMS and ABMS Solutions recommend reverifying those physicians' status on or after the reverification date listed below.

ABMS MEMBER BOARD TIME LIMITED CERTIFICATES			
American Board of	Time Limited Certificates End Dates	Time Limited Certificates Duration	Annual MOC Reverification Date
Allergy and Immunology	12/31	10	
Anesthesiology	12/31	10
