Ophthalmology	12/31	
Orthopaedic Surgery	12/31	
Plastic Surgery	12/31	
Thoracic Surgery	12/31	

*A **reverification date** is the date on or after those boards recommend a physician's certification status be checked or reverified. A **recertification date** identifies the end of the current period for a physician with a time-limited certificate. This period can vary in length with each board that utilizes a recertification date.
